

# DECORATING TURNTABLE

Easily decorate or display your signature cakes, cupcakes and desserts with our revolving plastic cake stand with non-slip base! Ideal for bakeries, cafes, and more, this stand sits 3" high so you can add latticed piping or icing towers comfortably. Size: 11"

## Area of use

To easily decorate a cake

## Material

HDPE

## Packaging

In dispenser box

## Recycling

Sorted as plastic or incineration. The energy extracted during the process can be used for e.g. heating.
