

DISPOSABLE PIPING BAGS ON ROLL

Piping Bags

Our disposable & hygienic piping bags on rolls are certified for bakery, restaurant, catering and food service. Our bags have smooth inner walls that allow for less pressure while piping consistently and our anti-slip feel, your grip sits perfect. The bags are microwave - freezer - defrost safe.

Area of use

Decoration of food and pastries

Material

COEX-polyethylene

Packaging

Packaged on roll in dispenser box

Recycling

Recycled as soft plastic or incinerate. The energy that is extracted during incineration can be used for example for heating.
