

# VINYL GLOVES

**Latex free** When you need flexibility, comfort and a snug fit, vinyl gloves are ideal, durable, and formfitting. They provide exceptional fingertip sensitivity and superior performance for a variety of food and industrial tasks. They protect your skin from germs, food products and harmful chemicals. Vinyl gloves should not be used when preparing fat food.

## AREA OF USE

The gloves provide good hygiene at e.g. medical examinations, food service and beauty treatments.

## MATERIAL

Made from vinyl

## PACKAGING

In dispenser box

## RECYCLING

Incineration. The energy extracted during incineration can be used for heating.
