

These poly gloves are a great choice for food handling and are Latex free. Our gloves feature a looser fit, comfortable and are great for establishments that require employees to change gloves quickly and frequently and meant to be used for one time tasks. Ideal for bakeries, delis, large kitchens, concession stands and food trucks. It's recommended to change gloves when moving from meats to vegetables or fish and chicken. These gloves are a great way to ensure your staff is practicing proper food safety procedures and health code regulations.
