

BUN PAN COVER EASY WRAP

Keep your breads, rolls, and pastries fresh longer with this easy wrap bun pan cover. It is a great low-cost option for your restaurant or bakery! You may wrap trays individually. The large size will cover a full-size bun pan completely. Manufactured from 100% virgin resin, this plastic contains no animal fats or heavy metals and is a FDA-compliance for safe food service, storage and handling.

This easy wrap bun pan cover is made of HDPE resins which brings, due to its clarity, a faster and easier content identification that will keep you up to pace in your busy bakery or restaurant. It is designed with chef and catering professionals in mind. Protect your food's freshness and prevent contamination with this bun pan cover easy wrap.
