

Black Nylon Hairnets

Our hairnets provide a better appearance and full hair coverage when working with customers. Made from 100% nylon- these are premium quality. Our high quality materials undergo independent quality testing to ensure consistent performance. The non-woven fabrics will provide a comfortable and secure fit. They're soft, light-weight and breathable with an elastic edge. Tight-fitting They fit tightly over the hair to prevent hair falling in the food. Recommended for bakeries, food service, commercial kitchens, and food processing. Available in 2 sizes.

Invisible mesh keeps you cool and comfortable
